BIG WINS FOR 1ST XI, 2ND XI AND 4TH XI

PRESIDENTS REPORT

With the season up and running it's probably a good time to provide some updates on things your committee have been involved with;

New playing shirts have been approved by the DVCA and orders placed with our partner Concept Partners. Membership cards ordered also with Concept Partners. Membership packages are selling well as they are proven to be great value, so if you haven't purchased one see Scott and he will look after you.

Seven committee members and 2 non committee members recently completed a 4hr Responsible Serving of Alcohol course at Lwr Plenty Cricket Club. I think we all learnt something from the course and were shocked to the value of fines that can be applied if rules are broken. Fines in the vicinity of \$18,200 which we can obviously not afford. This will have an affect on how and who we supply alcohol too so that we do not expose your club to unwanted fines. We were unsuccessful

2nd XI captain Ryan Batchelder and Mick Asbury

with our grant for extendable awnings / blinds on the front deck.

We currently have a number of grants waiting for a decision, these grants are either with the Vic Govt or RSL clubs.

Cricket Ball Grant

Portable shade Tent Grant

Defibrillator Grants

I hope to be able to advice of our Holden Grant application very soon.

As mentioned in our last newsletter we do not have a mythical money tree and therefore need to raise funds by running fund-raiser events. We deliberately decided to minimise the amount of fundraising events with the expectation to have maximum attendance. We must as a minimum, break even when running events otherwise we will have to review our strategies for future years.

PRESIDENTS REPORT, CONTINUED

With this said our first club fundraising event is our Casino Royale and cocktail night on Sat 7th Nov which Tom has put in a lot of work and stress so let's get behind him and support this event. Costs have been kept to a minimum to make it affordable. Please refer to flyers for additional information.

We also now have a Medical Emergency Plan which is currently located on wall next to entrance to bar. Have a read and become familiar with its content as one day you may be called upon to assist in a medical emergency. You will soon be asked to complete a Next of Kin notification form so that we have contact details in the event of a medical emergency. So in closing as you can see lots are happening behind the scenes so that you can concentrate on playing and enjoying your cricket at Banyule. If you have any questions on any of the above please speak to me or a committee member.

COACHES REPORT

Some fantastic results and contributions over the weekend boys! Well done to Malcs (74) and Hollywood (53*) on steering the magoos home. The 3's gave 283 a terrific shake, and although not getting over the line, will take an enormous amount of confidence out of posting a 250 total, led by Mick Del's half century (59). A great win by the 4's on the back of Red's super 100 not out in front of a big home crowd, and the 1's clinically knocked off Mill Parks 132, led wholeheartedly by Jake Smiths defiant 43 not out. Both our 18's and 16's also posted important wins, and we were two from three in the Vets.

Thursday night training (5.30pm), selection, dinner and joker drawer will be on at the Cave as we prepare for next weekend's action!

1ST XI MATCH REPORT

Mill Park 132 def by Banyule 6/134

N. Murray 3/13

J. Smith 43*

S. Clapton 2/24

R. Hartnett 29

After a second last ball loss in round 1 the boys traveled out to sunny Mill Park looking to get our season underway. Unfortunately we lost the toss and found ourselves bowling on what looked a decent day to make runs. Ryno has asked us for contributions from each player every week, making sure we don't rely on any one player and the message seems to be getting through.

Nick Murray struck second ball of the day and again shortly after to put them on the back foot from the get go. We created chance after chance through tight bowling and were able to take wickets constantly throughout the day, a few dropped catches probably stopped us bowling them out for under 100 but we manage to skittle them for 132 in the 59th over. Muzz ending his day with 3-13 off 13, Pidge and Big Tommy Elmer both claiming two a piece. Special mention to the cockroach who managed to take 5 catches behind the stumps

Our time to bat, with 21 overs to get through on day 1.

We quickly found ourselves at 2-14, Jakey Smith batting with maturity to get us to stumps at 2-45. 87 to get on day 2 and we were under the pump with JD

getting out sweeping for some reason 5th ball of the day. Zac Tolley (10) was next in and smashed a few boundaries before getting bowled off a full toss. Razz Hartnett (29) joined Smitty and the boys batted superbly to drag us to 118 with the game all but over, some good hitting from Banga (13) saw the game iced and the 6 points in the bag. Jake Smith ending with an unbeaten 43, only denied his 50 by some poor sportsmanship (Hollywood's mate) from Mill Park. A cracking innings from the young fella batting 50odd overs at some tough times to get the boys over the line.

Round 3 is Greensborough at Home playing for the Butterworth Shield.

Time to get it back!!!

2ND XI MATCH REPORT

Laurimar/PV bats 161 def by Banyule 4/168

B. Oliver 4/23

R. Malcolm 74

F. Neilson 4/27

L. Willoughby 53*

Our first 2 game saw us loose the toss and being asked to bowl first. Like round one, we bowled well early for little reward. Doc picked up 2 early wickets before Mick Asbury broke the threatening partnership to have them 3/63. Stink then turned the game with 4 wickets, including 2 in his first over, leaving them 7/97. They managed to put on a few runs with some hitting and luck towards the end, eventually being bowled out for 161. Stink and Doc both finished with 4 wickets each.

We needed to negotiate 12 overs before the close of play on the first day, with both Malc's and Adam surviving to set us up perfectly to chase the runs on day 2. Unfortunately we lost Adam early on day 2, followed by Sam to an LBW decision that may not have hit a 4th stump. Malcs and Bailey steadied the ship with a 53 run partnership to take the sting out of the game. Hollywood came in and upped the scoring straight away with a few boundaries and eventually hitting the winning runs. He ended up with 53no while Malcs fell just before we passed them for a well- deserved 74. It was a solid team batting and bowling performance and something we'll need to carry on into round 3 to get ourselves another win.

4TH XI MATCH REPORTS

Round 1: Banyule 168 def by Diamond Creek 4/172

J. Samad 60

G. Butterworth 2/25

B. Russell 24

L. Russell 1/19

G grade started off with a road trip to Diamond Creek. We dutifully won the toss and elected to bat first on the small ground. Jed and Skull got us off to a good start which was carried on by Jordi Samad who top scored with 60 and some late hitting by Gerbs to have us finish all out for 165 in the 31st over. Our two junior debutants Connor Tolley (U16) and Jackson Bowler (U14) both did well, each making it to double figures.

Unfortunately, 165 proved not to be enough as their opener/captain smashed his way to 92 giving them the win with 10 balls to spare. Kev Butterworth, Gerbs, Connor and Gordo all bowled well but having not batted out our overs we didn't have enough runs on the board.

Round 2: Macleod 5/164 def by Banyule 1/168

M. Harte 2/14

J. Samad 100*

D. Campbell 2/22

G. Place 20 ret

Round 2 saw the G graders return to their spiritual home- the back oval (cabbage patch). With bright sun and no shelter we looked forward to watching our melanomas grow. We bowled first and did well to keep our old foe Macleod to 5/164 with one batsman again scoring the bulk of their runs. Darcy Campbell bowled very well in his cameo appearance and was well backed by Ush, Jack Arandt (U16) and our debutant Justin McInerney (U16) with Gordo again bowling a tight line.

Tragedy struck on the first legal ball of our innings when Skull flat batted one straight to mid-off who accepted the catch. However, from there on in it was all Banyule with Jordi smacking a 100 red ink, ably supported by Jedda (retiring hurt on 20 after pulling a hammy) and Jack Arandt who stuck around to end up with 10no. The win was achieved with 7 overs to spare and plenty left in the tank.

A great result with good input from all players.
